A bunch of idiots, pray to my acting skills below me.
Straight up using the pill will only get half of the pill
I need alot of medical plant and refine it so it can be perfect.
The reason why I jump is because that, there is a medical plants island named Green River island!
HERE

Not only that there is a huge tits girl in this island that, that will affect my final plan.
According to the story,her village, will be burndown by thieves later on.
Then it is my time to save her, ha ha...eh?Wait a sec.
Ehhh,my...hair?
Meow!
The effect got time limit!
Meow ~~ chu!

Stupid
Tiger
